

SPONSORSHIP AND ADVERTISING OPPORTUNITIES 2018

IRMSA has been recognised by the South African Qualifications Authority (SAQA), as the only professional body for Risk Managers in Southern Africa.

We are dedicated to the advancement of the Risk Management profession and accreditation, and are the leading source of information and networking opportunities within the Risk Management industry.

Within excess of 2 000 individual, and 150 corporate members across both public and private sector, and serving a greater community of over 13 000 risk professionals, our non-profit organisation is the institute of choice for Risk Management professionals in Southern Africa.

Through meaningful and strategic partnerships we are able to continue to develop our programmes and enhance our initiatives. The Institute of Risk Management's corporate and business partners help to advance the delivery of a range of services, programmes and events.

ANNUAL CONFERENCE

This annual two day Conference will also include a Masterclass on the third day, with Thought Leadership Pod sessions on Day 1 & Day 2. This event attracts approximately 350 - 450 delegates, includes discussions on success stories, best practice and key challenges that South African Risk Managers face.

The conference is structured to include presentations by leading practitioners and quality speakers.

The Masterclass will be a one day event that will be hosted by Subject Matter Experts. This will be an intense workshop for Risk Professionals and numbers will be limited for this session.

This is an excellent opportunity for information exchange, acquiring risk management knowledge, and networking with fellow Risk Management professionals and Industry Leaders across all industries.
